He can put all the shows on cassette...Received Steve Moreno's latest supplement (102 Park St, Santurce, PR 00911). HIGHLIGHTS: CAMPBELL PLAYHOUSE, OUR MISS BROOKS, BURNS & ALLEN, ON STAGE.

NEWS OF THE PAST (From Ed Carr) Hal Peary had his own show several years before he joined the Fibber McGee and Molly cast. His first regular program was with Charlie Marshall, the cowboy singer, in Mr. Marshall and Mr. Peary (Hal Peary gets Hello Again. Is this correct?)...The Life of Riley show on which William Bendix plays a character named Chester Riley has a new sound effects man. His name is Chester Riley...1947: Superman so far has received 24 awards from civic and educational groups for its splendid campaign against prejudice and bigotry.

THE TAPE DECK: One of my readers has had a little trouble with DAK and with RADIO TAPE LIBRARY. The "Amplex" advertised by Radio Tape Library was Amplex SHAMROCK??? Also when trying to exchange an order it seems to take forever for DAK to do it correctly. In all fairness I have also had very good comments about DAK as well as other negative points. Any more feedback on Radio Tape Library. When I do mention a seller of tapes or shows I would appreciate positive or negative feedback.

WHY GOOD ENOUGH ISN'T GOOD ENOUGH.

EVERY COLLECTOR WANTS QUALITY RADIO CASSETTES. YOU WANT IT, YOU DEMAND IT. MORE FOR YOUR MONEY. AND LISTENING ENJOYMENT. BUT SOME TAPE SELLERS SEEM TO ADVERTISE HIGHER QUALITY AUDIO THAN THEY ACTUALLY PUT INTO THEIR PRODUCTS.

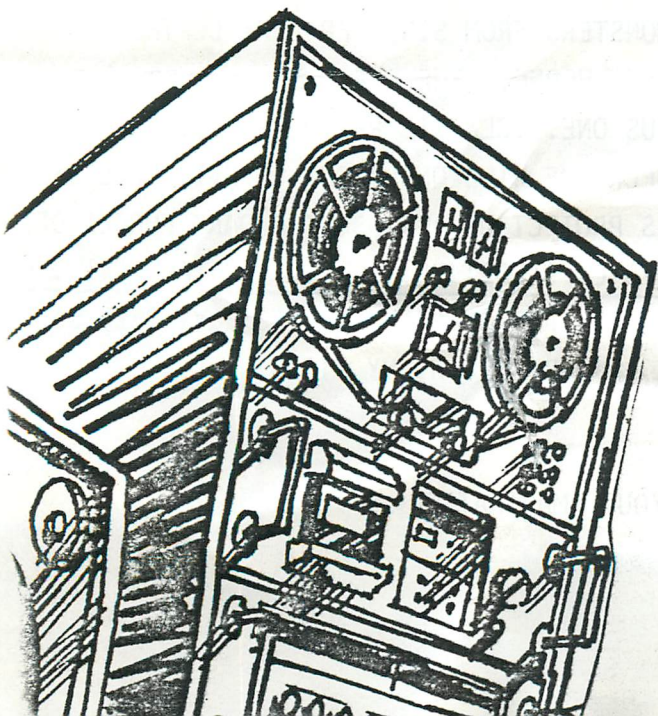

NOT SO AT AUDIO ANTIQUES. WE BELIEVE FIRST AND FOREMOST, THAT GREAT RADIO COLLECTIONS BEGIN BY FIRST OBTAINING SHOWS AS DIRECTLY FROM THE ORIGINAL ET'S AS POSSIBLE.

YOU CAN'T SEE THE QUALITY OF OUR CASSETTES IN THIS AD. YOU MUST HEAR IT AND JUDGE FOR YOURSELF IN THE PRIVACY OF YOUR HOME, ON YOUR OWN TAPE DECKS OR PORTABLE MACHINE.

ACHIEVING BOTH SOUND QUALITY AND PERSONALIZED SERVICE ISN'T A MATTER OF CHANCE. IT'S AN UNRELENTING EFFORT TO ATTAIN CASSETTE EXCELLENCE. "GOOD ENOUGH" IS NOTHING LESS THAN A POOR CATCH-PHRASE SUBSTITUTING ADEQUATE AUDIO FOR "BEST POSSIBLE".

AUDIO ANTIQUES HAS CONTINUALLY REFUSED TO SETTLE FOR GOOD ENOUGH. COLLECTORS AREN'T NAIVE. THEY KNOW THAT A SIXTH GENERATION COPY CAN'T BE PASSED OFF AS FIRST OR SECOND GENERATION BY DRESSING UP THE AUDIO WITH FANCY EQUALIZERS AND NOISE SUPPRESSORS. YOU SIMPLY CAN'T PERFORM MIRACLES ON FAULTY TAPES.

AUDIO ANTIQUES OFFERS QUALITY OF CASSETTES, NOT QUANTITY. IF OUR STANDARDS MATCH YOUR DEMANDS IN RADIO COLLECTING, WE INVITE YOU TO WRITE FOR OUR COMPLETE CATALOG, AVAILABLE POSTPAID FOR ONLY \$1.25
